

Nathan Hale Schoolhouse
East Haddam, CT

War Office
Lebanon, CT

Nathan Hale Schoolhouse
New London, CT

November 9, 2023

The numbers for the 2023 visitor season are now ready for posting. We had 105 visitors in New London, 157 in East Haddam and 275 at the War Office. Our total is 537 including the school programs. School programs will be on a separate report.

The amount of donations collected at all 3 buildings totaled $161, New London $40, East Haddam $49, War Office $72. Merchandise was a surprise at $239, New London $47, East Haddam $107, War Office $85. I believe most of these sales were the challenge coins that have been difficult to keep track of. Most are sold, but several are given away to special guests. We have a total inventory of coins at the buildings and at my home of; 8 Nathan Hale, 43 War Office and 39 Washington Rochambeau. Arrangements have been made with the Nathan Hale Branch to purchase additional Nathan Hale coins, amount undetermined.

Cleanup around the War Office is slowly nearing completion. There have been several delays due to bad weather and contractor employee issues. The next project will be rebuilding the entry way fieldstone sidewalk.

The Real Property Committee consisting of Dave Jones, Mark Sheldon and Dave Packard will be meeting soon to discuss future plans and to create a budget for 2024.

I would like to thank everyone who contributed to our successful year and hopefully assist us in 2024.

Respectfully submitted:
David Packard
CTSSAR Real Property Steward
