Real Property Committee Report

October 29, 2016

The visitor season ended on October 9th at all the buildings. We have opened several times since, for special events, which has helped with the overall attendance numbers. The following numbers reflect those special events, school groups and the seasonal visitors. At New London we had 1,390 adults and 505 children. In East Haddam there were 412 adults and 139 children. At the War Office in Lebanon there were 198 adults and 258 children. Total attendance was 2,902. Along with all this there were donations of $749 and merchandise was $938. Bringing the total to $1,687.

The Docent situation is still one of the main issues. The only real hope is at East Haddam where the DAR supported us with 18 people, 12 of which we reimbursed their dues. New London is a big disappointment for volunteers, SAR member, Burt Chapman helped out by giving his time of 15 sessions and some help from 2 DAR members. The bulk of the work came from the 2 paid docents, including handling all the school groups. Thankfully, the Gerlander family conducted 4 patriotically orientated programs at the War Office. Bob Rivard invested his time with the 5 school groups that visited there. We had 1 paid college student who did the best she could do with the 8 times of availability. I have attached a separate sheet (Docent Hours and Wages) along with (School Program Attendance) with this report.

Now I'm looking forward to next year. There are several projects that need to be completed and some that need to be looked at for future consideration. This will be outlined along with the budget request, hours of operation, communications, grants and docents at the next Real Properties meeting. Normally, this meeting is scheduled for mid-February, but because of a possible medical issue, I am trying to set it up for January.

As a reminder, there is an opening on the Committee replacing the position held by Bob Rivard. The Fall Cleanup at East Haddam is on November 6th from 10:00 am to 4:00 pm.

All in all, it was a relatively good season and I would like to thank everyone who made this possible.

Respectfully submitted,
Dave Packard
